Do NOT book a flight with Spirit Airlines. There is a significant likelihood that when you arrive at the airport the flight will be canceled. It's literally part of their business model to cancel as many flights as they can get away with, and not give refunds. If there is the slightest hint of bad weather they will cancel and will not help you in any way. They will even blatantly lie about the weather. What you're buying when you buy a Spirit ticket is the CHANCE to fly somewhere, not the guarantee. I kid you not!

Here's 1 caravan already organized. It's sleek. We need some copy cats for other states.

<https://thedonald.win/p/11R4ucQt9Q/organizing-caravan-for-dc-marchi/c/>

You don't need to lead the caravan, only organize. Leaders get picked out at the first meeting or en route. Once the ball gets rolling, strong leaders naturally come out of the woodwork ready to take charge. Getting people there to begin with is what's important. Any of us memespammers can do that.

PRO TIP: Don't book round trip. Some airlines will auto-postpone your return trip (after the fact) to enforce 14-day Covid quaratines. (We've had it done to family members.)

Instead, book 2 x one-way flights, preferably on separate airlines. We've flown 4 times since March without incident this way.

They'll blow up a fucking airplane midflight and ground all air traffic on the 5th 6th and 7th if they have too.

This IS a call to action and the time is now.

There are people on this site, right now, offering to get you to DC on 1/6 for free.

Have a serious medical condition that really, truly means that you can't go? Fine. You CAN help organize a way to get 100 people to go and stand for you.

100 people. You can do this with ONE phone call to a local bus rental or charter company, then spreading the word around that arrangements are made for everyone who wants to get on the bus. It doesn't have to cost you a penny.

Here are some suggestions on how to do this: <https://thedonald.win/p/11R4ubJaYj/group-transportation-to-dc-for-t/>

[permalink](#) [save](#) [report](#) [block](#) [reply](#)

▲ 2 ▼

– [ikuyas](#) 2 points 6 days ago +2 / -0

Please don't fly with whatever airline. People have to bus in. We seriously have to think how this type of event works. There aren't as many airline seats available for a few million people. If you have mobey to buy a ticket, you want to rent a bus so that 30-40 people can bus in together, and sleep in a bus as hotels can easily cancel your stay. Remember they collected \$billions from BLM.

– [Sanskrit](#) 🗨️ 2 points 6 days ago +2 / -0 ([edited](#))

Get ready for ALL airlines to cancel and delay many flights to anywhere near DC on any date near the 6th. Get ready for "inexplicable" rental car and motel/hotel cancellations. The same money that bought the election can certainly cancel key flights and other services. Remember who we are dealing with here. Fly into airports N and then go into DC from N. Expect unforeseen hazards on red state routes, try to get through those early and around to blue state routes from the North that they can't possibly shut down all of. I would NOT want to be trying to get there from the South, SW or SE, due W any time after the 4th, expect fuckery on those routes. Plan smart.
